Highlights

- 01 Frozen, tap-and-go**
 Customers tap, take what they want and close the door; the payment follows automatically. Made for ice cream and frozen meals.
- 02 Down to -24 °C**
 Static cooling from -18 °C to -24 °C and 60 mm insulation keep products frozen solid.
- 03 Heated glass door**
 Door heating keeps the glass clear, so customers see what's inside. The door closes by itself.
- 04 Products in the spotlight**
 LED interior lighting and an illuminated header panel for your own branding.
- 05 Delivered ready to sell**
 Installed, tested and plug & play on a standard 230 V socket.
- 06 Telemetry ready**
 Prepared for contactless payment and telemetry over MDB.
