## Highlights

- 01 AI sensors, tap-and-go**  
 Cameras and weight sensors register what is taken. Customers tap, take and go; the payment follows automatically.
- 02 Fits on a counter**  
 980 mm high and 515 mm wide: it fits on a counter, a sideboard or in a small kitchen.
- 03 Delivered ready to sell**  
 Installed, tested and plug & play on a standard 230 V socket.
- 04 Adjustable shelves**  
 Three metal shelves you can move to fit meals, bowls and drinks.
- 05 Lit advertising panel**  
 An illuminated panel on top and LED lighting inside make products stand out.
- 06 Telemetry ready**  
 Prepared for contactless payment and telemetry over MDB.
